

Next-Generation
RANGER XL
2.0L 4X4 M/T

Ford

Capable and Durable

Versatile and Comfortable

Engine - 2.0L Single Turbo Diesel engine

New and improved engines deliver the power, torque and fuel economy you need, paired with manual transmission that are more refined, responsive and efficient.

C-Clamp Design Head Lights

Built with a new front grille and the signature C-Clamp design head lights.

Wider Width

Widening the pickup by 50mm allows for more space to load fundamental items such as plywood or even a full-size euro pallet.

Smart and Functional

As a new standard, the Next-Gen Ranger XL also comes with the 10.1-inch infotainment screen equipped with the latest SYNC® 4 communication and entertainment system.

Digital Instrument Cluster

A customizable 8-inch digital instrument panel that displays the speedometer and tachometer, information such as driver-assist technologies, and on- and off-road driving modes.

Tyres & Wheels

The Ranger XL boasts stylish looking 16-inch alloy wheels to help your truck stand out in a crowd.
