

Next-Generation
EVEREST SPORT

Ford

Bold in black

The blacked-out grille, skid and side plates give Sport its bold on-road presence and tough athletic look.

Gloss black alloys

20" High Gloss Black alloy wheels add to Sport's agile look and are in perfect sync with the black accents front and rear.

Premium hi-tech dash

The sweeping digital instrument cluster and integrated 10-inch centre touchscreen increases the sense of space and width in the cabin.

Stunning interior

A contemporary interior continues the blacked-out feel inside. Brushed metal finishes provide striking interior contrasts.
